For best results items should be framed with a wire for hanging on the back.

This helps in the display of the work and ultimately selling the artwork is more likely.

These features are not necessary for the acceptance of the art to the show.

Calvary Art Fest has historically been a blend of novice to expert, young to old, abstract versus realism and so on and so on.

There has never been artwork rejected from display.

Since Calvary Episcopal Church is a place of wholesome encouragement that many people call home, we trust Art Fest participants to exercise discretion.

Calvary Art Fest does reserve the right to reject artwork that may offend younger or more sensitive viewers.

Please keep these statements in mind as you select the items you will be submitting.

Thank you so very much for your participation.
